

# ANXIETY AND RISK-TAKING

SCHOOL OF PSYCHOLOGY, UNIVERSITY OF NEW SOUTH WALES

EARN \$20 & BE ENTERED INTO A \$100 PRIZE DRAW!

Researchers in the field of Clinical Psychology at UNSW are seeking individuals **over the age of 27** who have been diagnosed with an **ANXIETY DISORDER** to participate in an online/telephone study of personality and risk-taking.

Participants must fulfil the following criteria:

- Have a clinical (or suspected) diagnosis of one or more Anxiety Disorders
- Be fluent in written and spoken English
- Be over 27 years of age
- Have access to the internet

This study involves an initial telephone interview followed by an online survey and computer task. It should not take more than 40-50 minutes in total.

Participants will receive **\$20** (via PayPal) and will be entered into a **prize draw for \$100**.

This project (HREAP number 1114) has been approved by the Human Research Ethics Advisory Panel for the School of Psychology, UNSW.
