

Are you experiencing Depression?

If you are

- Aged Between 25 and 40, and
- Currently receiving help for Depression...

You are invited to participate in a research study looking at how depression may be related to our:

- Experiences of relationships
- Experiences of intimacy
- Feelings of dependence and independence

Help us contribute to the body of knowledge about Depression by completing some confidential questionnaires...

What will I be asked to do?

If you give your consent to participate in this study, you will be involved in completing five questionnaires;

- Background Questionnaire
- Adult Attachment Questionnaire
- The Miller Social Intimacy Scale
- The Personal Style Inventory
- Beck Depression Inventory

It will take approximately 35 to 45 minutes to complete all the questionnaires. You are not required to provide your name or any other personal information; your identity will remain anonymous.

Draw

As a token of appreciation for your time, you will go into the draw to win a \$50 Coles / Myer Voucher

This study is being conducted by Theresa Marasco and Anne Graham from the School of Social Sciences and Psychology at Victoria University

Feel free to contact Theresa Marasco on Ph. 0402 317 533 for more information

Thank-you for your time!
