### **Financial Requirements**

As ADAVIC is a self-funded organization, there are financial requirements relating to this position which help to cover our costs. Requirements for this position include:

- ADAVIC Individual Membership (\$35 annual fee)

### **About ADAVIC**

Anxiety Disorders Association of Victoria is a not-for-profit, self-funded organisation. We provide support, information and resources to individuals suffering from or affected by anxiety, depression, and related issues.

Our unique grass-roots service bridges the gap between the individual, the local community, and health professionals. Our practical services have a positive effect on our client's lives through:

- Reassuring people that they are not alone in their distress and that assistance is available
- Providing information and resources to assist in a wide-range of self-help solutions; from information packs, books, CDs, and online services through to lectures, courses and workshops
- Encouraging people to overcome their fears and sense of isolation by participating in support groups and attending social events
- Promoting professional help; through running workshops, providing an online directory of therapists, and phone referrals to health professionals
- Helping all of those affected by anxiety and depression issues, including sufferers, carers, parents, family and friends
- Raising awareness and de-stigmatising anxiety and depression in the general community
- Offering information and services to help equip health professionals
